

# Things we would like you to know about our colourful Christian Zoom group.

There is genuine care for each other where you feel valued.

We don't take ourselves too seriously and whilst we don't apologise for being a Christian group, we are grounded and not off with the fairies.

We enjoy a laugh, sometimes taking the mickey out of ourselves.

We have a casual and simplified Zoom Mass and chat on the 2nd, 4th & 5th Sundays at 4.30pm SA time and 5pm for other states.

You are sent consecrated communion breads monthly so you actually receive the sacrament in the service.

**You would never be embarrassed** or put on the spot as we use the magic "Pass" word . If you don't wish to participate in certain parts of our Zoom gatherings you simply say "Pass" and we move on to the next person. **NO PRESSURE.**

Twice a year a camp (at a Caravan Park) using caravans or cabins is organised for those wishing to come away together, in different locations

Once a month a "Cuppa and Chat" is held to get to know one another better and share in our everyday experiences and offer help as needed.

**The best way to see if our Zoom group would appeal to you** is to have a look at one of our Zoom Cuppa and Zoom Mass Videos.
